The remote invoice transmission for dematerialization tax in accordance with the French directives from the Directorate General of Taxes (article 289.VII from GTC):

This approach corresponds to the legislative developments contained in the law under n° 2015-990 dated the 06th of August 2015.

Your invoices, secured by a certificate of authenticity, will now be sent to you by e-mail. They will also be archived and available for consultation in a personal electronic safe.
